Trains and services requiring additional basic fares and charges

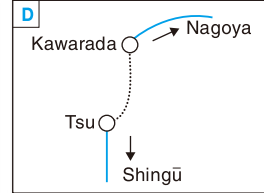

Travel on JR Group trains that connect directly with non-JR Group railways will require additional payment of basic fares and charges for the sections operated by the other company. Please pay either on the train or at a station on the line of the company concerned. (The map below shows the main applicable train lines. Additional payment may also be required on non-regular services in addition to these.) There are also some JR trains that connect directly with subway lines, etc. not shown in the map requiring additional fares and charges for the sections of those lines.
